PROFILE

As a fresh graduate from HackerU Academy, I'm eager to dive into the tech world and showcase my hard-earned skills. My journey has equipped me with expertise in HTML, CSS, React, JavaScript, SQL, NodeJS, Bootstrap, WordPress, and MUI. With a passion for coding and a knack for creative problem-solving, I'm ready to contribute to innovative projects and make a significant impact.

EDUCATION

HackerU, Ramat-Gan

Period: July 2023 - March 2024

Diploma: Web Developer

Degree: 98

My academic journey at HackerU has been an intensive and enriching experience, focusing on cutting-edge technologies and programming languages. I have honed my skills in JavaScript, NodeJS, React, HTML, CSS, Bootstrap, WordPress, and MUI through rigorous coursework. My portfolio, showcasing multiple projects, is a testament to my practical application of these skills. With a GPA of 98, my academic record reflects my dedication and mastery in the field of technology.

My Projects:

[My portfolio](#)

Also I still work on my own website. In private repository

Ort Rehovot

Period: 2015 - 2018

Diploma: Mechanical Engineering

Degree: Mechanical engineer certificate holder.

EMPLOYMENT HISTORY

Utron

March 2024 - June 2024

● Support for a period of three months in the development of automatic trailers

Shemesh Automation

July 2018 - July 2023

In my role within the industrial machinery development environment, I specialized in delivering final products tailored to meet client specifications and deadlines. Responsibilities encompassed identifying and resolving development issues, ensuring the seamless operation and maintenance of products post-deployment. Proactive approach to troubleshooting and commitment to excellence have been pivotal in maintaining high standards of product quality and client satisfaction.

FLEX

2016 - 2018

● Working with a development team and writing assembly processes

Languages

Russian: Native speaker

Hebrew: Fluent

English: Average, including technical English.
